

BUSINESS ADVICE

Adur & Worthing Councils and Job Centre Plus are working in partnership with other support organisations to help businesses affected by the Covid pandemic.

Businesses can access any or all of the following FREE support packages. A team member will make contact first for an initial confidential discussion. We will then work with you to deliver tailored solutions to help your business and employees move forward.

- Business Support Advice
- Advice on accessing and claiming Universal Credit
- Local 1:1 Careers Advice
- Access to well-being support (including details of food banks, mental health support and help with finances)
- Access and advice on local job opportunities
- Access to adult education courses and courses to help individuals re-train/upskill
- Support with CV writing and Interview Skills
- Support and access to improve digital and computer skills
